

Your Ship is cordially invited

To participate in the

*36<sup>th</sup> Annual*

## **LONG BEACH INVITATIONAL REGATTA**

To be held on the 9th day of March, 2019

at the Long Beach Sea Scout Base

5875 Appian Way, Long Beach, California

### **It's all about FUN!**

The *Long Beach Invitational Regatta* is designed to test your crew's skills and knowledge as well as ingenuity and teamwork in a way that is innovative and enjoyable. The events are based on those of other Sea Scout competitions and from requirements and basic knowledge in the Sea Scout Manual. But then, some are just off the wall.

As in the past, the Regatta intends to test your ingenuity and teamwork skills by presenting standard Sea Scouting events in challenging and fun new ways. Because these events are not presented in a way that you are used to, we recommend that you not spend a lot of time practicing. Just bring your imagination, creativity and good sense of humor for a day of fun, food and fellowship.

Registration opens at 0730. There will be a meeting at 0830 for all adults and Boatswains. In addition to the events, a barbecue lunch will be provided and the day will conclude with the traditional "Hell-Drill" competition..

Pre-registration is important as it tells us how many ships and people to plan for. One year we almost ran out of food because of the unexpectedly high turnout. Pre-registration will be only \$10.00 per *ship* (even if you send multiple crews). *At the Regatta* we will collect an additional \$5.00 per person to cover the cost of meals, awards and materials. Please return the registration form below with your pre-registration payment by **February 23, 2019**.

Please make your Ship Registration checks to **PYBA**. Thank you..

**If you plan to bring your boat:** The city has informed us that we cannot put any more boats on our dock. If you want to bring your boat please call the Alamitos Bay Harbor Master at (562) 570-3215 to make docking arrangements. Otherwise, we encourage those units that are able to drive to the event to please do so.

We look forward to seeing you there.
